Your child is in phase 1 of the wider opening of St Paul's from 1st June. Below is more information about your child's place. Please read it carefully

Your child is in **Bubble** and will enter and leave school via

Session times

Please contact the office if you wish your child to attend breakfast club. **Please note children will only be admitted at the starting time indicated. Children who arrive late will not be admitted**

Please see below important information for parents/carers setting out our expectations as we move towards the wider opening of the school. This will form a parent/school contract and you will be required to sign a copy of this prior to your child being admitted into school.

Children **MUST NOT** enter the school **IF** they are displaying any symptoms of coronavirus (following the COVID-19:guidance for households with possible coronavirus infection)

- Only ONE parent/carer should accompany their child/children to school
- Only the child's **own** parent can bring or collect the child
- You must adhere to the allocated drop off and collection point at the given time
- Parents must not gather at the entrance gates or try to enter the site
- Parents must contact the school if their child will not be attending for any reason
- To minimise the risk of infection to others, parents are requested to wash children's clothing daily, where possible and send children to school in clean clothing each day
- Parents must send their child in with a bottle of water for them to drink throughout the day
- Pupils should not bring anything other than their water bottle to school. They will be given their own stationery pack which will stay at their own desk. Siblings may share desks and equipment
- If parents or pupils are unable to follow these requirements and/or wider COVID 19 guidance or if they demonstrate unsafe behaviours we will need to meet and discuss your child's place. We also reserve the right to refuse a place in the above circumstances

I have read and understood the above information and agree to abide by the requests made in order to minimise the risk to my child, other children and school staff and their families.
