### REMOTE LEARNING F2

Our aim is to make sure that every child has the opportunity to continue their education during lockdown.

We are providing remote learning through our online learning platform and through paper-based packs; the first of which was issued to every pupil in week 1. Wherever feasible, our remote online learning has been aligned to that which would take place in the classroom. The packs provide alternate activities to help you provide learning for your child.

All online learning can be accessed on your child's class page through direct links. Here you will find:

#### **Maths**

White Rose Maths lessons (accessed via link)

#### **Literacy**

Oak Academy Videos (accessed via link)

#### **Phonics**

Letters and Sounds Videos (accessed via link)

#### **R.E**

Live Mass with Father Michael (accessed via link)

#### **Additionally**

Daily P.E lesson and challenge (accessed via link)

Further self chosen activities accessed via Busy Things, Purple Mash and Numbots

Reading for pleasure (Oxford Reading Owl)

Examples of craft activities that you can complete at home.

It is also important that you child hears stories being read to them. Cbeebies has a library of stories that can be accessed via the bbc iplayer or youtube if you want a variety of stories that you don't have at home. <https://www.youtube.com/channel/UChYHezCINFSSSmjIH-B5sYQ>
