Nature of support 2018/19	
<u>Curriculum</u> *Reduced ratio of children to staff in KS1 and KS2 to increase impact and improve attainment and progress.* *Additional staff in order that class sizes are small and children can be supported in small groups* –focused intervention groups and pre-teaching groups are planned for every afternoon to support children in reaching their targets. *Targeted support in maths* *Times Tables Rock Stars and Mathletics* **<u>Inclusion</u>** *Continued employment of a Speech and Language Therapist* – many children enter school with very low communication skills. The Speech and Language Therapist works 1:1 or in small groups with children to increase their language skills. She also trains and offers support to staff and parents. In addition to this the therapist carries out Wellcomm screening, dyslexia screening and provides detailed reports for school, parents and external agencies as required *Continued employment of counselling service from Caritas* – the school employs the services of Caritas in the form of a Family Support Worker who works with children facing emotional and/or behavioural difficulties both in school and at home. Children receive high quality support in their one to one meetings with the FSW. He also visits the home and offers support to parents and other members of the family	£48 000 £18 000

Additional support *Leasing of a school minibus to ensure learning in a real context* *Subsidising of school trips, residentials and events to ensure access for all children* *Extra curricular clubs* – we offer a range of clubs such as art, music, Tales at Teatime, dance and movie night. There are clubs every night of the week allowing children to develop their social and communication skills in a fun, enjoyable and exciting environment *Uniforms* – we offer uniforms and book bags to families	£13 500
