Dear Parents,

It has been lovely to welcome you and your children to school this week. The children have been so happy to be here and the staff have loved working with them. I had hoped that our new provision would be open this week but sadly that was not the case.

However, from Monday our new Twos Room will be open. The outside area is not quite finished but we will be able to use the room next week. To access the new provision, come into the church car park and walk to the corner furthest away from the church. You will see a green gate and a play area beyond and that is where the new Twos Room is situated. If you are coming to school by car please do not attempt to park in the church grounds as there will be lots of children and parents walking across the grounds at drop off and pick up times.

Session times will also alter slightly so the children will start at 9 o'clock and finish at 12 or at 3 o'clock if they are doing a full day. Below you will see some pictures of the room. You will notice there are still some things to be moved but workmen are in there at the moment putting in the finishing touches.

We are very excited about this new setting and hope that your children will enjoy their time in the Room with our brilliant staff

Yours sincerely,

Mrs C Fenna  
Headteacher
