Dear Parents,

Following the Prime Minister's statement yesterday, I am sure you will have lots of questions about the move towards reopening schools in a limited way possibly by June 1st. We do not know the answers to these questions as yet but what we do know is set out below.

In summary, there are currently no changes to what we have provided since March 23rd. Therefore we will continue to provide childcare for the children of parents whose work is critical to the COVID-19 response and who cannot be cared for at home.

The message is clear... it is safest to keep your child at home.

In the coming days, we will work tirelessly to make arrangements. Our priorities will be to:

- Gain a better understanding of the details of the Government's plan
- Seek a clearer picture of the scientific evidence on which the Government has based this plan
- Get helpful and sound advice, so we can best make arrangements to keep us all safe.

The most important thing is to ensure that our children staff and parents are safe coming into school.

I hope to update you with our plan when we have more detailed information and, at the latest, before Whit half term.

Yours sincerely,

Mrs C Fenna
